ITALYACHTS Project Agape 32 MT (2024)

I D E A
YACHTING

DESCRIPTION

The Italyachts Shipyard, making use of many years of experience in the sector and highly specialized workers, is able to satisfy any shipowner's request both for ordinary and extraordinary maintenance work and for modifications or improvements, in order to make any yacht closer to the new needs of the owner.

The Italyachts 32 Project Agape is a 32.00 meter motor superyacht with 4 guest cabins and a draft of 1.20 meters which can reach speeds of up to 40 knots.

Since the fibre glass is already ready and assembled, the yacht can be still personalized in taste and needs for the client and will be available for delivery in 16-18 months after agreement signed.
